

How To Login in Student Portal Account

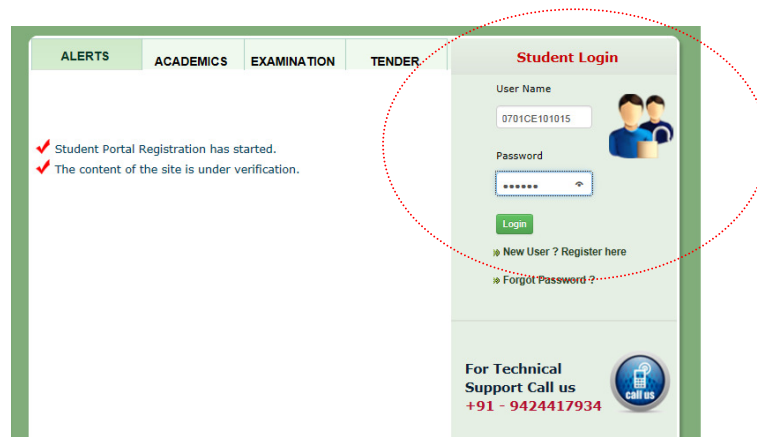

Step 1: Please open UEC Portal web site <http://www.uecu.ac.in> on your browser. Website's Home Page will be open.

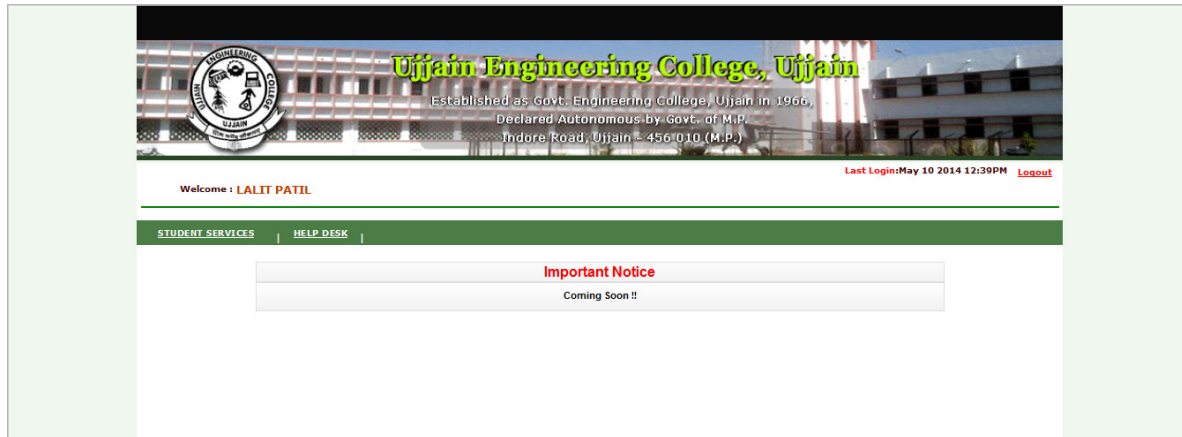

Step 2: Now please see on right hand side portion of the Home Page. "Student Login" Interface is available there. Please enter your User Name & Password which you have given at the time of Registration of UEC Portal.

Note : User Name is your Enrollment No.

Then Click on "Login" button.

Step 3: If your User Name & Password is correct then you have successfully Login into your Portal Account else warning message will be displayed on your screen.

The screenshot displays the user interface of the Ujjain Engineering College portal. At the top, there is a banner with the college's logo on the left and the text "Ujjain Engineering College, Ujjain" in green. Below the banner, the text reads: "Established as Govt. Engineering College, Ujjain in 1966, Declared Autonomous by Govt. of M.P. Indore Road, Ujjain - 456 010 (M.P.)". On the right side of the banner, it says "Last Login: May 10 2014 12:39PM" with a "Logout" link. Below the banner, a green bar contains the text "Welcome : LALIT PATIL". Underneath, there are two menu items: "STUDENT SERVICES" and "HELP DESK". A white box in the center contains the text "Important Notice" in red, followed by "Coming Soon !!".
